

STOP PRESS!!

SOLID Festival is pleased to reveal the line up for 2010:

Soul Survivor
[dweeb]
Rend Collective
Taste
Mark Ritchie
Giant Big Top venue!

Launched in 1995 as a small event to encourage and create solidarity amongst young Christians in Essex, SOLID festival seeks to provide young people with a safe and secure environment in which to explore faith, through teaching, fun and adventure. With predominantly evangelistic principles, SOLID festival has grown into an event which hundreds of young people enjoy every year!

'I have come that they may have life, and have it to the full' John 10:10

With John 10:10 firmly in mind, SOLID is a place where young people can exert themselves in the physical output of sports, games and adventure activities, alongside spiritual input through an extensive program of workshops, seminars and worship sessions.

The summer festival is split into two age groups, year 7+ enjoy Friday evening until Sunday lunch time, with on site camping!
All day Sunday is devoted to Junior SOLID where children from years 3-6 enjoy all the adventure, games and fun of the youth festival with their own opportunities to explore their faith and respond in a secure setting. SOLID remix, established in 2009, is a taster event incorporating every element of the summer festival packed into an evening in January, every bit as big and bold as the summer event!

Brought to you by a partnership of organisations: Viz-A-Viz Ministries, Scripture Union, The Diocese of Chelmsford, Arise Ministries and Girls Brigade; SOLID is a Christian initiative which seeks to support local youth workers around Essex and East London by providing quality training and events specifically focussing on evangelism.
